HOWDY! Do real cowboys (or cowgirls) ask where has the time gone? Winemakers certainly do! Things have just whizzed by over the last few months since we opened our new tasting room and rolled out the new releases for the year. The May Open House was a great success. Thanks to all those who visited --we enjoyed meeting ya'll and hope ya'll come back sometime, ya'hear?

Harvest and Crush are just around the corner and all the pruning, hedging and tending to the vines will soon pay off. In fact, much has already paid off -- we've received some new awards and we're on track to sell out again this year! Don't miss out on the wine or the chance to learn about winemaking -- the next open house winery tour is August 1 & 2 and we're taking sign-ups for "Friends of the Herd," for those interested in helping during harvest/crush this Fall or bottling this Winter. Of course, if you can't make it to the winery and want to pick up a bottle of LBV wine don't forget to roam on over to our favorite retailers and restaurants listed below.

Finally, who can pass up a good deal? This newsletter not only contains the usual quarterly LBV coupon but The Placer County Visitor's Bureau has a fantastic promotion going -- pick up a \$5 wine glass and tour map and receive a discount at any Placer County Winery.

Read all the specifics, details, announcements and whatnot below -- lotsa good stuff in this here newsletter!.
